Mary,
Remember me?
Moose? Oh well,
Remember me anyway,
and old Lady McDond.
And remember our good times.
Hope we're still friends next year.

Mary, a real sweet
girl, whom I've enjoyed
knowing these past couple
of years, days as sweet
as you are now, and
I know you'll go a
long way. Maybe I'll
see you next year.
Good luck in your
years to come.

Our Principal

The "Principle" Of The Thing Is Mr. Kerlin

Mr. Wiley Kerlin, Principal

The "Importants" Of Administrative Details

Mrs. Gwen Crum

Mr. Carey McDonald

Mr. Bob Pounds

On August 28, 1968 Ocala High School opened its doors to over 1800 students. To administer over such a large number of "Wildcats", four people with nerves of steel and hearts the size of mountains were required. Mr. Wiley Kerlin, Mr. Carey McDonald, Mrs. Gwen Crum and Mr. Bob Pounds adequately filled these requirements.

With Mr. Kerlin and Mr. McDonald, Principal and assistant principal respectively, presided over OHS with kind, but firm authority. They presided over all assemblies, administered schedule changes and disciplinary action, encouraged school spirit and in general attempted to encourage each student as an individual to get the best education available.

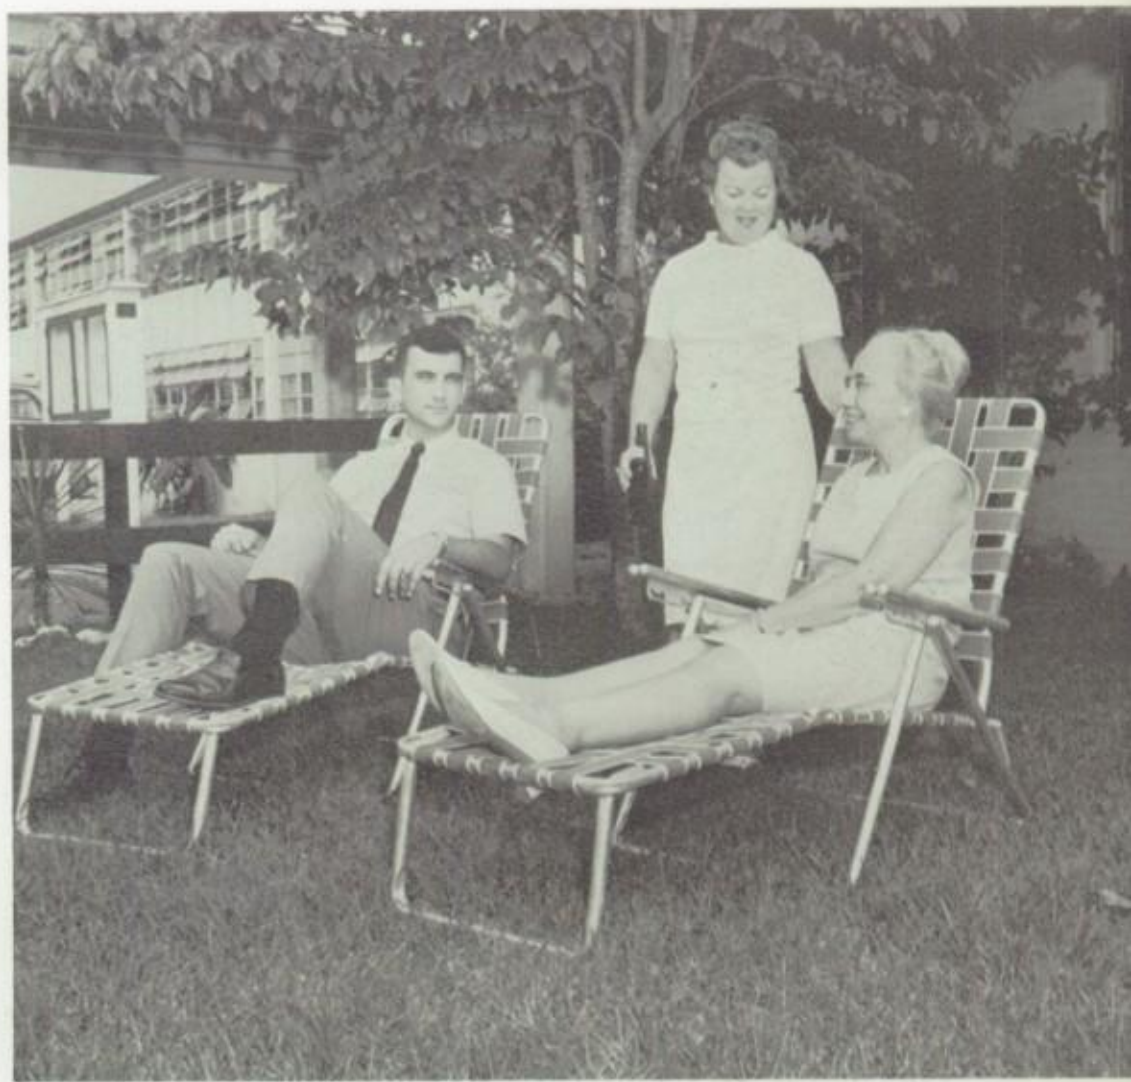

As Dean of Girls and Boys, Mrs. Crum and Mr. Pounds more than proved their value as members of the administration of Ocala High School.

Teacher's Aides—Seated—Ruth Ann Brantley, Barbara Eatmon, Gracielyn Davis, Kathy Passman, Standing—Edward Sanford, Clara Knotts, Margaret Scott, Lola Sanders, Mary Spangler, Eleanor Hoorn, Sharon Merriman, Karla Rhodes Not pictured—Becky Kirkland, Sandra Britt

Ocala High School had the only secretarial staff in the world that could answer the phone, talk on the intercom, straighten out Mrs. Crum, answer students and the teachers' questions at the same time. They managed to keep OHS' financial and official records in excellent order and at the same time keep all of the teachers and students correctly informed.

New at OHS this year were the teachers' aids. They helped teachers to get papers back to students faster, fill out report cards and unfortunately help teachers give a lot more tests more often.

Mr. Dinkins and Miss Fohl relax while Mrs. Roche looks on.

Mrs. Elsie Tranthan, Miss Christine Roberts, Mrs. Gail Broaderick, Mrs. Bobbie Wisdom

Got The Message?

Dr. Stable tells Mr. Grant and Mr. Burke Language Arts is peanuts.

Under the department head, Margaret Hardy, the Language Arts department prospered greatly education wise. English teachers taught and emphasized that English is much more than grammar. English is people and their thoughts and consequently it is literature and plays and mass media.

The French, Latin and Spanish departments thoroughly taught the essential grammar of these foreign languages. But more important they emphasized the importance and value of being able to communicate with people of other lands in today's world. The Language department more than adequately filled this need.

OHS's Humanities Program taught students about life and its creativity. Collages played an important part in this program; as does anything creative. The aim of the Humanities teachers was to try to teach the students to create new ideas and put them to good use.

Speeches were numerous and long at OHS, and so the Speech Department was determined to have them correct. The program has succeeded excellently and students are learning to speak louder and more fluently.

Ocala High School librarians kept students well informed on library procedures and materials. The library was always well stacked with a variety of reading materials ranging from pleasure to work.

Mrs. Marcos and Mrs. Hardy give Mrs. Young and Mrs. Clemmons a rough time bobbing for apples.

Mrs. Sparkman,

Mrs. Caruso challenges Mrs. Sutcliffe and Mrs. Beebe to a sack race.

Mrs. Johnson, Mrs. Belt and Mrs. Burch prepare for a great potato race.

Ms. Gillum, Mrs. Lewis, Mrs. Riley go at it while Miss Baird looks on.

Mrs. Fults and Miss Kerby give Mrs. Murphy a try at the bottles.

It All Adds Up

Mrs. Hunter gives Mr. Allison and Mr. Cochran a shaving lesson.

The Math and Science departments, headed by Virginia Cromartie and Gene Hunt respectively, were fully prepared to teach the overwhelming number of students who were interested in the two courses.

The courses in these departments were among the most popular of those offered during the 1968-1969 school year. General and advanced courses were offered.

OHS students realized the importance of Math and Science and medical and scientific careers and even more important in today's advancing world. Math teachers tried successfully to broaden minds and science teachers tried successfully to do the same. The students were generally of high quality of which OHS was extremely proud.

Some of the specific courses offered were Biology I and II, Chemistry, Physics, Physical Science and Human Physiology in the Science department and Algebra, Basic Math, Elementary Functions, Trigonometry and College Review Math in the Mathematics department.

Mr. Hunt explains the problems of space travel to Mrs. Sands and Mrs. Robinson.

Miss Cromartie tries to decide if Miss Robison or Mrs. Bledsoe gets the pie.

Mr. Fielder calls the egg race between Mrs. Spinks, Mrs. Miller and Mr. Bright.

Mr. Batsel and Coach Smith wait for Coaches Goodwin and Cowan to change the tire.

Mr. Robbins, Mr. McLauchlin and Mr. Maughan plan a long, long trip.

It seems as though Mr. Cummins, Mrs. Walker and Mr. Hoyer are all set for a pleasant journey.

The Tools Of The Trade

Under the leadership of Mr. James Hoyer the Vocational Department expanded considerably this year. The Vocational Department includes Distributive Education, Diversified Cooperative Training, Home Economics, Agriculture and Conservation, Vocational office Education and Commercial Art. By training students to sell products, the Distributive Education course taught students the value of learning an individual selling trade with the cooperation of the merchants.

In Diversified Cooperative Training, students learn a definite trade or service, again with the help of local merchants.

Many girls at Ocala High will make successful homemakers thanks to the Home Economics Program. They shared their skill with the student body by selling candy apples, cookies and various other yummys on afternoons of football games.

The Agriculture Program taught all interested boys farming and ranching methods. A recent addition to this program was Conservation. One of its many projects was to stock all area ponds with fish.

The Vocational Office Education Program taught students to operate all types of office machinery and had many fund-raising projects in order to buy a new office machine for the class.

Last but not least is the Commercial Art Program. Students taking this course learned much about art in general.

The hop, step and jump comes easy for Mr. Bogart, Mrs. McConaughay and Mrs. Jenkins.

Mr. Hornsby, Mr. Strow, Mr. Nieman and Mr. Eddy take a look at the shape of the world.

Variety Is The Spice Of Life

Mr. Polhill and Mrs. Gilligan challenge Mrs. Hughes and Mr. Wooden in a weight lifting contest.

The subjects at OHS are many and the variety is wide. This gives students at Ocala High School an opportunity to find their career and pursue it at length.

Heading this department was Mr. Reneau Russell. This department includes Driver Education, Physical Education, Music, and Business courses. If a student is thus interested in any of the fields above for a career the chance is given for them to further their education in their chosen field of endeavor.

Our world consists of events people make and Ocala High School's Social Studies Department makes sure that its students know every important event that comes to pass. Headed by Miss Elizabeth Palmer, the Social Studies Department prospered greatly and taught students the value of History, Geography, Communism and Democracy.

Heading the Business Department was Miss Emma Jean Smith. This department not only prepared students for study habits later on in college, but also prepared them for a career after high school in Business Administration.

There were several subjects under the Diverse Curriculum Department. The Driver Education program was presented with 1969 Chevolets courtesy of Turnipseed Chevrolet Company, and the Physical Education Program underwent a new phase involving the 6-week training of all students in one particular sport.

Mrs. Notes signals the start of a cycling race between Mr. Dillon and Mr. Graham.

Mrs. Daily and Miss Kittrell and Mrs. Dixon

Miss Horne prepares to measure Miss Gaston's throw of the shot put.

The softball throw comes easy for Mrs. Hunt, Miss Smith and Mrs. Lamb.

Mrs. Carpenter and Mr. Grant take a break with Music.

Sophomore Class Favorites

It was stated that sophomores were "wise fools." The 1968-1969 sophomore class more than proved that this wasn't always true. Although they *were* on the bottom and not as great as the juniors and seniors, they were an outstanding class. The thrill of being a "Wildcat" made them wide-eyed with wonder and a little timid at first, but after the novelty had worn off they entered into OHS spirit with enthusiasm and excitement. Led by their capable class officers, Donnie Nettles as President, Tom Wilson as Vice-president, Debbie Rhodes as Secretary, Cecelia Ryder as Treasurer, and Julia Caruso as

faculty adviser, the sophomores had many projects and activities. Bake sales and car washes were planned as was a dance they sponsored at the Lair. The proceeds went towards the traditional Sophomore-Senior Party which was held in the spring. Out of some 650 sophomores, Bonnie Robbins and Mike McCall were chosen by their peers as their favorites. As the school year ended, sophomores realized that they had lived a year of fantasy, fun, excitement, not to mention hard work that would never come again.

One In A Sea Of

We come alone,
But one in a sea of the faceless many,
And we find ourselves as one.
We look around us with open eyes—
Timid, yet eager
And conciously strive to comprehend
The world around us.

We sit,
Awed by the vastness of OHS,
Entranced by our very existence,
In a world of wonders
And infinite insignificance.

Perplexed,
Wondering why,
And searching to find the answer.

The 1968-1969 Juniors proved that being in the middle wasn't so bad after all. No longer on the bottom, but not yet to the top, the class of 1970 made the best of the situation by succeeding on being one of the best Junior classes ever. Doing what only Juniors can do proved to be quite a few things. Class rings were ordered and received with pride and anticipation. The Junior Carnival and Junior Dance at the Lair proved to be financial successes. As tradition has it, the beautiful Junior-Senior Prom was one of the best ever to be sponsored by a

Junior class.

Under the leadership of Jimmy Hankinson as President, Lyn Blackburn as Vice-president, Janet Daniel as Secretary, Kay Bond as Treasurer, and Mr. Dillon as faculty sponsor, the Junior Class had many money making projects. By popular choice, Lyn Blackburn and John Duley were chosen Junior Class Favorites. As the school year ended, the Juniors looked back with pride and satisfaction, yet anxiously peered ahead to the greatest Senior Class ever.

A Little Surer Of

We search and leave not
A path unwalked,
Or a leaf unturned.

Never once lingering or looking back
For some unseen someone
They tell you who is always there;
That someone who keeps whispering
That it lies just around the corner
Or over the next hill.

We look ahead,
Yet never forgetting
Where we have been.
Moving forward to that something
Which we call tomorrow.

And so we progress onward
A little surer of who we are,
Where we're going, and
How to get there.

Seniors Pull Into A Reserved Place

We,
*The children gone by,
 We have laughed, dreamed,
 Smiled and loved,
 Then somehow lost and now
 We find ourselves no longer
 The children we once were, but
 not yet the men we shall be.*
 Watch,
*For we shall someday be men
 And we shall call a world ours;
 A world of yesterdays and tomorrows
 Built,*
*On the dreams and hopes
 Of the class of 1969.*

Carnival

King And Queen Reign Over Night Of Fun

Laughter, fun and hard work can best describe the Jr. Carnival of 1968. Sponsored by the "great" Junior class, the carnival traditionally carried out the theme of Halloween. A total of sixteen committees were responsible for the activities at the carnival which included the cake-walk, balloon shaving, a fish pond, the baseball throw and fortune telling.

The high-light of the carnival is the annual crowning of a king and queen. During the week before the carnival, boys and girls were nominated to represent each home-

room and whoever raises the most money is crowned Queen and King respectively. This year, reigning over festivities were Robin Petranck and Larry Manning.

Jr. Class officers, Jimmy Hankinson, Lyn Blackburn, Janet Daniel, Kay Bond as President, Vice President, Secretary, and Treasurer, along with carnival sponsors, Mr. Dillon and Coach Lowry, estimated the amount raised at \$1200, proving that the Jr. Class's efforts to produce another typical "Wildcat" carnival were successful.

Homecoming OHS Celebrates Homecoming Victory

"S" Club's 1st place Homecoming plot.

These girls were the 15 Homecoming semi-finalists sponsored by various clubs and presented in Kats Kapers.

"S" Club's "Alice in the Cat Paw Patch" took 1st place in Kapers.

The "Land Of The Wildcats"

"Land of the Wildcats" was the location for Homecoming '68. From the street dance, Monday night, to the romping, stomping, Wildcat victory over Terry Parker, OHS was full of good ole paw patting fun.

Starting the week off was a Plot Day, following the theme of "Land of the Wildcats". "S" Club took first place honors. A victory train was built with the cheerleaders leading off with the engine, the faculty with the caboose and clubs and classes filling in the cars between. "S" Club again placed first.

The peak of Homecoming besides the big game and the crowning of the Queen was Kats Kapers, OHS's mighty Homecoming Pep Rally. This year Anchor, Latin, Spanish, Exchange and "S" passed screening. After much debate "S" Club was chosen as 1st, Spanish 2nd and Latin 3rd.

As Homecoming Week closed and mums and suits were put away, each student at OHS realized that the fun, spirit, excitement and memories would not be put away for a long, long time.

Latin Club ranked 3rd with "Homecoming On Mt. Olympus".

"How the Grinch Stole Homecoming"

Anchor's "Does Ollie Have the Victory Solution?" caused much laughter from the audience.

CHRISTY TANKERSLEY

Excitement was the atmosphere at OHS during Homecoming Week, especially among the 15 girls sponsored by clubs for Queen. These semi-finalists were given a dinner with the judges and were presented at Kats Kapers. They were judged on poise, appearance, beauty, naturalness, and personality. At the homecoming assembly, Friday, the court was announced. During half-time ceremonies, Christy Tankersley was crowned 1968-69 Homecoming Queen.

Prominent Award Winners

Sharon Maddox proudly carried the title of Miss Fashion Plate for 1969. This meant Sharon was considered the best dressmaker the Home Economics Department has to offer. Obviously, this meant long hours with needle and thread.

She was selected by members of the DAR for this honor. The DAR tries to promote such worthy qualities as Sharon demonstrated by her creative efforts. During an annual Home Economics Banquet, Sharon was awarded a beautiful silver charm for her sewing achievements. She not only brought honor to herself but to OHS as well.

DAR Award

Ann Draper

The Daughters of the American Revolution present each year, a good citizen award to a deserving senior girl. The chosen girl must possess and have proven such qualities as dependability service, leadership and patriotism. She must also represent the best qualities of a citizen in a democracy.

This year Ann Draper was the deserving recipient of the citizenship award. Ann distinguished herself in service to school and community by her many activities.

Honors

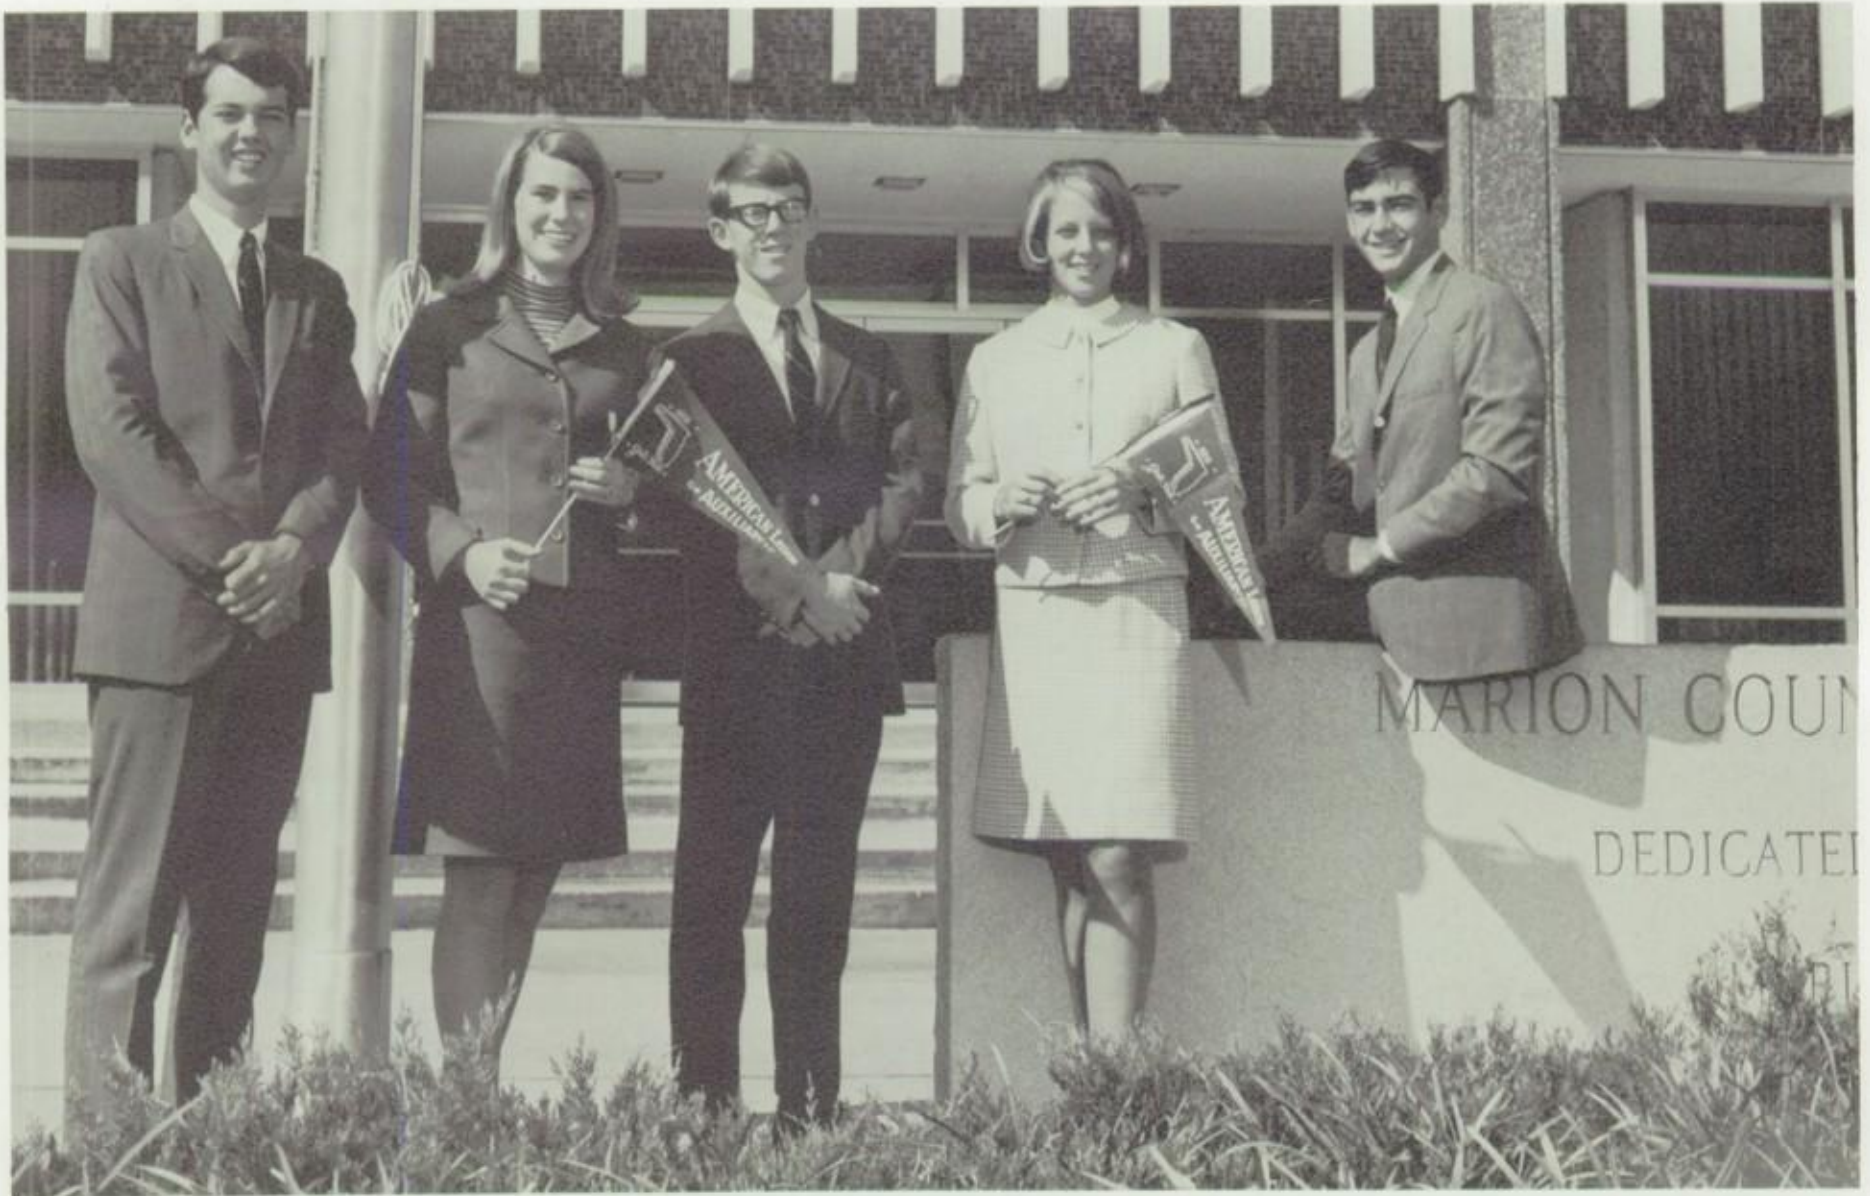

Congressmen Head For Capital

Each year the American Legion Auxiliary sponsors a certain number of girls and boys from each school to attend Boy's and Girls State in Tallahassee. They are chosen for outstanding leadership ability and various other qualifications. Their goal is to learn the value of self-governing citizens, to become familiar with the duties, rights, privileges and responsibilities of an American citizen, and to realize the importance of participation in their government as voting citizens.

At each annual session, girls and boys run for offices

at the local and state level, and upon election carry out the duties of that office. A state legislature is held in the government capital and the representatives are allowed to attend. At the end of the week, a "graduation" is held where awards are distributed and two girls and two boys are elected to attend Girls and Boys Nation respectively.

This year, chosen by the faculty of OHS, to attend Girl's State, was Ann Draper and Deb Chappell. Chosen to attend Boy's State were Brad Dinkins, Ron Barefield and Scott Mozert.

Outstanding Ocaleeans

As a sophomore Tim had the distinction of being able to play on the Varsity football squad. He continued to be a great asset to the team in his Junior and Senior years as fullback. Other honors included being Sophomore Favorite and Anchor Admiral Court.

Sandy has proved her ability to arouse school spirit by serving as a cheerleader for three years. She served as Junior Varsity cheerleader for one year and on Varsity for two years. Sandy's other activities included Spanish Club, Pep Club, Anchor Club and selection to Key Club Sweetheart Court.

The Annual Staff of OHS was certainly fortunate to have such a diligent worker as Jane for two years. Not limiting herself to just Annual Staff, Jane served energetically in Anchor Club, Student Council and Pep Club. To round things out she was selected Key Club Sweetheart.

Wally's most outstanding attribute was his scholastic ability. He maintained a very high scholastic average and was a National Merit Scholarship finalist. In addition, Wally was very active in Student Council, Key Club, as Junior Class Treasurer, Masque and Wig and was selected to the National Honor Society and Thespian Society.

Nancy Krim

Joe Raney

A hard-working girl, Nancy has served as Junior Class Secretary, Homeroom President, in Latin Club and Pep Club. She served as sergeant-at-arms for Anchor Club. Nancy is presently the 1968-69 Interact Sweetheart and was noted for her excellence when tapped by National Honor Society.

Joe has been outstanding in football playing one year on Jr. Varsity and two years on Varsity. He was elected co-captain of the Wildcats in his senior year by his fellow teammates. Joe was a member of Interact Club and served as 2nd Vice-President. He was also chosen to be on Fidessa's Sweetheart Court.

Peggy proved her ability to lead in many school organizations. She worked two years on Annual Staff and was chosen co-editor her senior year. She was 2nd V.P. of Anchor and Soph. Class secretary. Peggy reigned as Jr. Carnival Queen and was on Exchange Sweetheart Court. NHS and Homecoming Queen Court highlighted her senior year.

Tinker was a member of Key Club, in which he served as 2nd Vice-President, Annual Staff, and Pep Club. He was named Wildcat of the Week climaxing two years of Varsity and one of Jr. Varsity football. Tinker has also been a member of Latin Club for two years.

Outstanding Ocaleeans

Joan Heath
Brad Dinkins

Anchor Club was very fortunate in having such a vivacious and eager president as Joan. Her other time was delegated to ICC work, Lair Youth Council, Pep Club or JV cheerleading. Due to her interest in school life, Joan was selected for Key Club Court, Homecoming Court and NHS.

Brad enjoyed many honors during his high school career. He was selected Boy's State delegate, voted Sophomore Class President and tapped a member of the National Honor Society. He also contributed time and effort in football, basketball, and baseball. By far his greatest honor was being elected President of the Student Body of OHS.

Albert was an asset to his school by his diligent participation on the swim team and football team. As Key Club president and member of ICC he proved to be an able leader and eager worker. Albert had the honor of being selected to serve on Anchor Admiral Court 1968-1969.

Giving the team her full support as an active A and B squad cheerleader was only one of the things that made Debbie outstanding. She held the offices of vice-president on the Lair Youth Council and secretary of Spanish Club. Key Club Court and a member of Fidessa were other honors added to her name.

Albert Peek Debbie Petranck

Scott Mozert
Jennifer Craggs

Gale Manning Donnie Jennings

The Junior and Senior Class could not have reached the peaks it did without Scott. His first interest was the school. As a result he was selected Boys' State Delegate, Spanish Club vice-president and ICC V.P. Other memberships include Interact, Anchor Admiral Court and NHS.

Jennifer's vivacious personality and overflowing school spirit made her an asset to the Varsity Cheerleading Squad. To complete a rewarding high school career, she served in Pep Club, as 1st Vice-President of Anchor Club and was selected to the Interact Sweetheart Court.

By serving as a JV Cheerleader and for two outstanding years as "Willie Wildcat" on Varsity, Gale more than proved that she had a lot of school spirit and did not mind hard work. She was a Sophomore board member of Fidessa during one of her three years of service to the club, and a past member of Pep Club.

Fidessa never had reason to regret the choice of Donnie as Sweetheart. His cheerful and out-going personality, along with willingness to work made him a welcome addition. Donnie's other services to the school included Interact treasurer, JV and varsity baseball and JV basketball.

Outstanding Ocaleeans

Corry Heil
Ann Draper

Sam Frasier Kathy Koontz

Second-in-command of the student body as VP was Corry. This post entitled him to all the hard work and headaches of being president of ICC. Corry proved worthy of it all. He even found time for JV and Varsity baseball, Jr. Exchange, and the honor and job of being S Club Sweetheart. To top it off, he was tapped as a member of NHS.

Ann really showed her dependability by being elected president of "S" Club and treasurer of Inter Club Council. She served most conscientiously in her position as treasurer and provided valuable leadership as president of "S" Club. Ann, one of the two girls, was selected as a delegate to Girl's State and was also inducted into the National Honor Society.

Sam's service to the school took many different forms. He was an active member of Student Council his senior year and a member of Key Club. He offered his enthusiasm in the field of sports, by playing JV and Varsity baseball and Varsity football. Sam's hard work resulted in tapping for NHS and "S" Club Court.

A look at Kathy's record and one would have to agree what a worker OHS had. She kept the books balanced for Anchor and worked tirelessly on the Ocaleean Staff. She also served as Homeroom President and on Student Council. Junior Exchange Club proudly claimed her as a member of their Sweetheart Court.

Jeff Crews
Debbie O'Brien

Working on Student Council proved to be Jeff's high point. He devoted many hours of service to this facet of school. In addition, Jeff served as secretary of Interact, vice-president of Debate Club and served actively in Masque and Wig and Pep Club. He was also a member of NHS.

Ask any Exchange member and they will tell you who was their hardest worker—Sweetheart Debbie. From the time she was crowned till the end of the year she was ready to do anything to make Junior Exchange number one at OHS. Debbie was also selected to serve on Demolay Sweetheart Court and served as a member of Latin Club.

Where would the basketball team have been without our 6'3" player? Many a point would have been lost without his able assistance. Bruce also participated in track his sophomore year and Key Club at OHS. He had the privilege of being selected to Fidessa Sweetheart Court.

Sponsored by the Art Club, of which she was President, Terri was selected from fifteen girls to serve on the 1968 Homecoming Queen Court. She was also a member of Hi-Y Sweetheart Court, the Junior Carnival Court, and Demolay's Court. Terri's high school life consisted of participation in other clubs as Inter-Club Council and Fidessa.

Bruce Andrews Terri Wilde

Highest Honored Couple At OHS

The students of Ocala High can be extremely proud of the girl they selected as Miss OHS. There isn't a more vivacious or amiable person to be found. She has a magnetic personality which drew her many wonderful friends. Deb was truly representative of OHS.

Deb put herself into and excelled in everything she did. As a junior she was selected as Ocala's Girls State Delegate. She was on the JV Cheerleading Squad and was captain of the Varsity Cheerleading Squad in her senior year. Deb also participated in such activities as Anchor Club and French Club and was selected to Interacts Sweetheart Court. She was also honored to serve on the Homecoming Court of OHS.

Marty Cunningham was chosen as that one special boy who best depicted the ideals of Ocala High School. Marty can best be described as amiable and very outgoing which is why he has so many friends. He was a very conscientious student as well as an athlete who gave it his all whenever and in whatever he competed.

Marty was very active in many phases of school life. He was a member of Key Club and was honored to be chosen as Tri-Hi-Y's Sweetheart. Marty made his biggest contribution to OHS as captain of the basketball team. With such leadership the other members of the team could not help but be inspired to give it every thing they had. In addition, Marty was inducted into the National Honor Society.

Anchor Club And Court

Unsinkable Anchor Boosts

Anchors admire club symbol.

Writing letters to the servicemen in Vietnam was only one among many services performed by Anchor Club in the interest of school and community. College Night was held to familiarize college-bound students with their educational opportunities. The Anchor Spaghetti Supper was held to raise money for the Memorial Scholarship Fund. School activity calendars, the sale of Homecoming mums and boutonnieres, and helping the children at New Hope School were all part of a busy year.

This year, Anchors have seemingly learned to expand their viewpoints from that of self to others. In doing so, they have blended their efforts to unite as one under their motto—"Anchored we hold".

Only 300 more seats to clean?

Needed "go" power was furnished to the OHS Wildcats by Fidessa Club's Go Dresses and the victory banner used at Pep rallies. In addition to this, auditorium chairs were cleaned, willing hands in the employment office found jobs for local youth, and a bar-b-que supper was held to raise scholarship funds for a deserving Senior boy or girl. As Christmas time rolled around, Santa Claus, in the form of sweetheart, Donnie Jennings, made an appearance at Sunland Training Center to delight a cabin of special boys, and one really special boy, Charles. Fidessa members realized that unity and teamwork were "musts" in holding a club together.

Never underestimate the power of dreaming. Just ask any "S" Club member and they will tell you what dreams can accomplish. They have proof of it in more ways than one. Their car in the victory train, Homecoming plot decoration, and Kats Kapers skit are visual proof of the powers of positive thinking.

"S" Club lists as its pet project performing services for New Hope School. Other civic projects include distributing pamphlets for the League of Women Voters during this campaign year and caroling for the residents at the New Horizon Convalescent Home. The sale of Wildcat Pennants was another spirited project aimed at the student body.

Due to their numerous projects and civic works, "S" Club has earned a "first place" on the campus.

Selling Pep Ribbons and raising the flag at football games have only been a small part of Key Club's many efforts to promote school spirit. Their interest in the students of Ocala High is also proven annually by Career Day, which enables the local businessmen of Ocala to stimulate an interest in their profession.

Early rising students find the canteen a good place to unload books and mingle before school.

Black lights and psychedelic paintings give atmosphere to Interact's new refreshment bar at the Lair. The boys saw that something was lacking at our new youth center and so decided to do something about it, by installing the refreshment center. This has proved to be a bonus to all students.

Interact spells out for passers-by the many events at OHS by means of the marquis in front of the school. Interact also has charge of the flag pole which is located on their plot in front of the school. Raising and lowering "Ole Glory" is a daily service to OHS.

Members Season Community

As tradition has it, Jr. Exchange Club sponsored a long program on the local radio station WWKE. The summer of 1968 was no different, as the Exchange members sponsored advertisements and other programs, thus netting themselves a sizable profit besides gaining valuable experience.

In November over Thanksgiving holidays, the Exchange Club of Ocala along with the Jr. Exchange put on a turkey shoot giving interested people a chance to win their Thanksgiving dinner. At Christmas, seasonal trees were sold by the club therefore making the money jingle even louder in their treasury. Later on in the year, the Florida Exchange Club held its annual convention in Ocala, with Sr. Exchange and Jr. Exchange as hosts.

Unselfish service and support of all worthwhile movements building towards a greater America have proved to be the accomplished aims of this club.

Student Council Drives Appeal To Council

Ponderings of a council member.

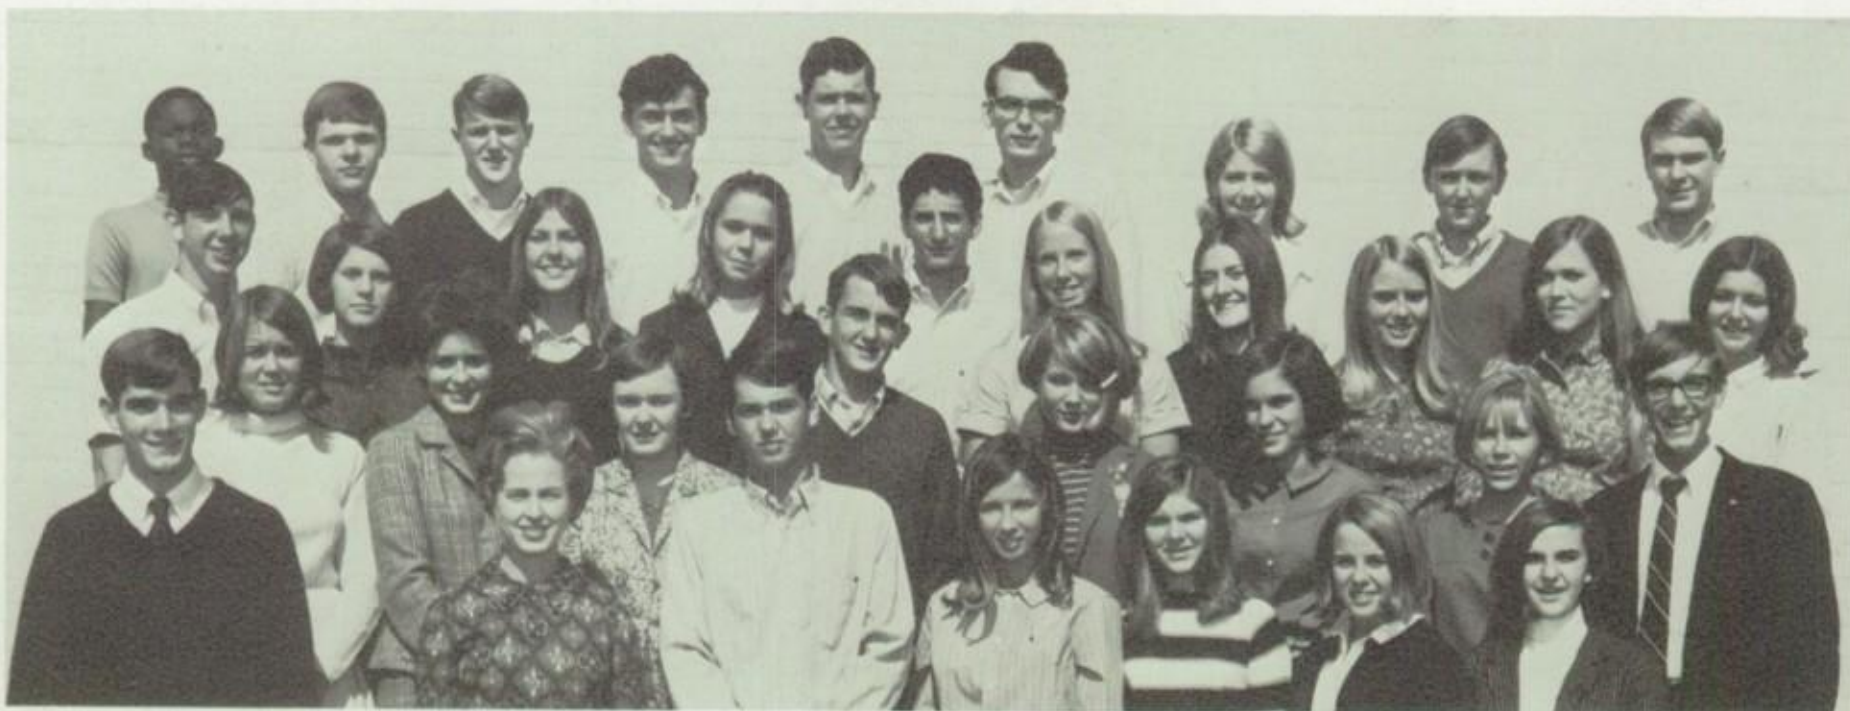

The annual United Appeal Drive headed up by Council is one of the most enthusiastically sponsored projects at OHS. Pennies and dimes collected from homerooms always mount up, always throwing OHS way over the goal.

The biggest activity of homecoming week was another undertaking of Council—Kats Kapers. And who says it isn't a job finding housing for all our foreign tennis players? Even though it's quite a task, the bridging of the gap between American and foreign students proves year after year to be an enlightening and rewarding project.

In the spring, local talent draws paying crowds at the Memorial Scholarship Talent Show. Funds are used to provide several worthy seniors with a scholarship for college.

Wildcats Make Their Home In The "Lair"

Formerly Kats Korner, the Lair got a new start last spring thanks to some determined students and concerned parents. They felt the kids of Ocala High School should have a place for recreation, dances, and to just plain get together on weekends. They proved to City Council that their interest was high and need was great by raising over six-hundred dollars. Krispy Kreme donuts and clean cars added to these funds. The officers and sponsor Homer Brawly led members of the council in painting the old fire station and miraculously transforming it into a comfortable "Lair" for the Wildcats.

Brand New And Spirited Too

The spirit of 1969 was personified by the newly re-organized Pep Club. The spark of enthusiasm exploded, renewing interest of the students in their team. The wildcats learned that a united effort is much more effective than individual strivings for spirit. Strength lies in numbers, and winning falls on the shoulders of students as well as team members. President—Jimmy Senterfitt, Vice President—Scott Mozert, Secretary—Beverly Beckham, and Treasurer—Jane Webb led the group of over two hundred Ocaleeans.

The "V" for victory formed at the Ocala goal post showed Pep Club's confidence in the ability of the Wildcats. Spectators were encouraged to attend the games by making bleachers softer through the sale of cushions in a joint effort with the Ocala Lions Club.

A mighty roar that will not soon die has been let out in the halls of Ocala High.

Expressions of spirit.

The Dead Language Brought To Life

The ancient civilizations of Greece and Rome came alive this past year under the efforts of the OHS Junior Classical League. Interest was promoted in the literature, civilization, language and art of the ancient world. The OHS chapter of the Junior Classical League was organized in 1949 and its sponsor was Mrs. Margaret Hardy. In the early fall, officers were elected and they were led by Ginger Hendley as president. In December, the Latin Club had its traditional Saturnalia, a banquet which honors the god Saturn. In the spring, District and State Forums were held and eagerly attended by Latin students.

The spirit of gay Paris seems to lend itself to the members of the French Club. By learning the French customs and daily life, the foreign country seems right next door.

Of special interest are the French customs of Noel. As Christmas approaches, the club presents a program complete with French carols and yule log.

The Grinch Steals Second Place

"How The Grinch Stole Homecoming" not only won second place honors in Kats Kapers for Spanish Club, but at the same time, aided the mighty Cats in a Homecoming victory! First place honors in the first plot day of the year also was listed among their winnings.

Under the leadership of Dru Greene and Dr. Stable, as president and sponsor respectively, the Spanish Club reached new heights in school service and gained new goals in club achievements.

The members really got down to the grind stone this year and took to heart their motto, "It will be what you make it".

Inter-Club Council

Plotting And Planning Comprise A Busy Year

"All for one and one for all" best describes the Inter-Club Council since it is comprised of all forty club presidents.

ICC controls club social activities, money-making projects, Homecoming, which is its biggest project, and in general, anything that concerns life at OHS.

During the 1968-1969 school year a bus was chartered for the Eau Gallie football game, and the "weaker sex" battled the Red Sox farm team in efforts to raise money for the March of Dimes. In addition to these, ICC sold "Shares in Humanity" in support of Dr. James Turpin's Project Concern.

Their share in the life of the school is incalculable.

"I guess we can squeeze in ONE more!"

Flash! A New Club Develops At OHS

A new club at OHS this year has flashed it's way across the Ocala High campus. Shutters clicking and feet scurrying, Photography Club is always on the go. At all service club projects, plot days, pep rallies, Homecoming activities, and any other places you can think of, one of the fifteen members is present. They try to present the true life at Ocala High by capturing students often off guard. These candid are being gathered and sorted to comprise a scrapbook of the mighty Wildcats and their daily life which will be valuable for reference.

A Splash Of Color At OHS

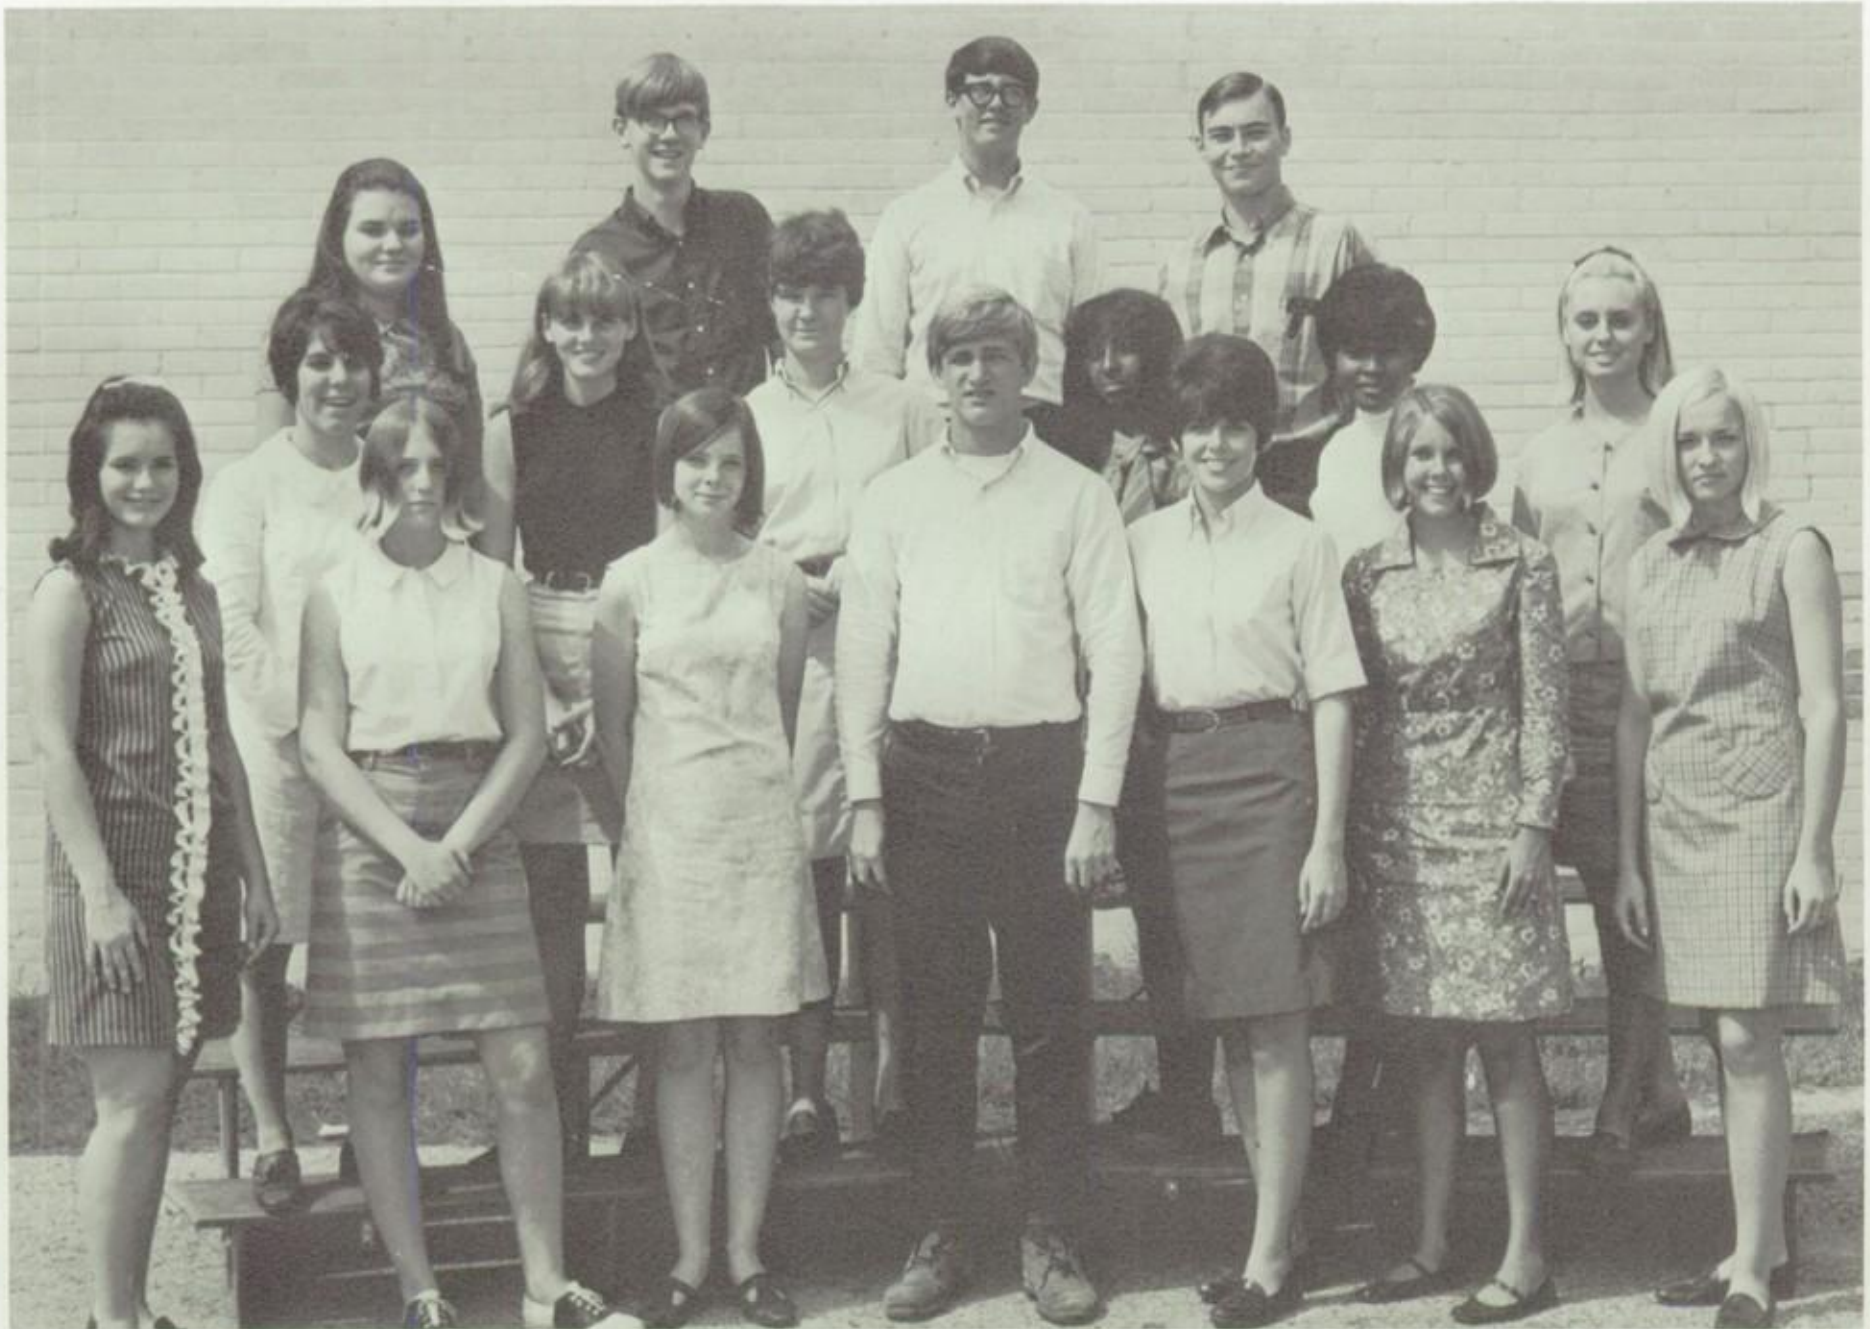

People drawn together by a common desire to spread art appreciation in our locale compose the OHS Art Club. They started right at home by beautifying their own plot with plants and a fish pond. Interest was furthered by their annual art show, which is judged by local artists. All these activities were guided by President Terri Wilde, and her officers Vice-President Sandy McKelvy, Secretary Cheryl Taquino, and Treasurer Bobby Hurley, under the knowledgeable supervision of Mrs. Edith Walker.

Membership is limited to those who are members of an art class at Ocala High and have successfully completed a test on their artistic ability and knowledge of art.

Art Club offered a splash of vibrant colors to the over all picture of Ocala High School this past year.

Quite A Production

Masked and wigged members of the OHS dramatic club worked diligently to present the performance "Life and Death of Larry Benson." Few realize the many hours of after-school toil that takes place before a play can be presented. The production provided enjoyment for students and community alike.

Members gained much valuable knowledge besides having a good time in Masque and Wig. The arts of make up, costuming, lighting, and sound effects were learned and applied.

Those who buckled down and contributed one hundred hours in the areas of drama such as play writing, painting scenery, and acting were tapped into National Thespians. This society was formed for the advancement and improvement of the dramatic arts in high schools. Members were encouraged to become more familiar with the art of language, development of self-control, and appreciation of drama and its literature.

National Honor Society

Members Light Way For The Future

The Ocala High School Chapter of the National Honor Society consists of outstanding students who have a "B" or better average. In addition to a high scholastic average, they must be of excellent character, must possess outstanding leadership ability, and render worthwhile service to the school and its students. New members of the society are carefully chosen by our teachers. Later in the year, they are inducted by the society's alumni in a special National Honor Society Assembly. The induction is performed in a candlelight ceremony at which the alumni light the candles of inductees. This is done to symbolize the hope that they will light the way of the future for their generation.

In order to retain membership, each person must continue to display the excellent standards of the society.

Quill and Scroll

Prove Their Worth With Pen And Paper

Quill and Scroll is an honorary journalistic society organized to reward individual achievements and to encourage high school journalism, creative writing, and other journalistic fields. The society seeks to extend and improve publication standards and instruction of high school journalism. Members of Quill and Scroll must be juniors or seniors who are in the upper third of their class at the time of induction. Each year, under the supervision of sponsor, Mrs. Ruth Marcos, several OHS students are inducted into the society upon the recommendation of their group sponsors.

Future Farmers Plant Ahead

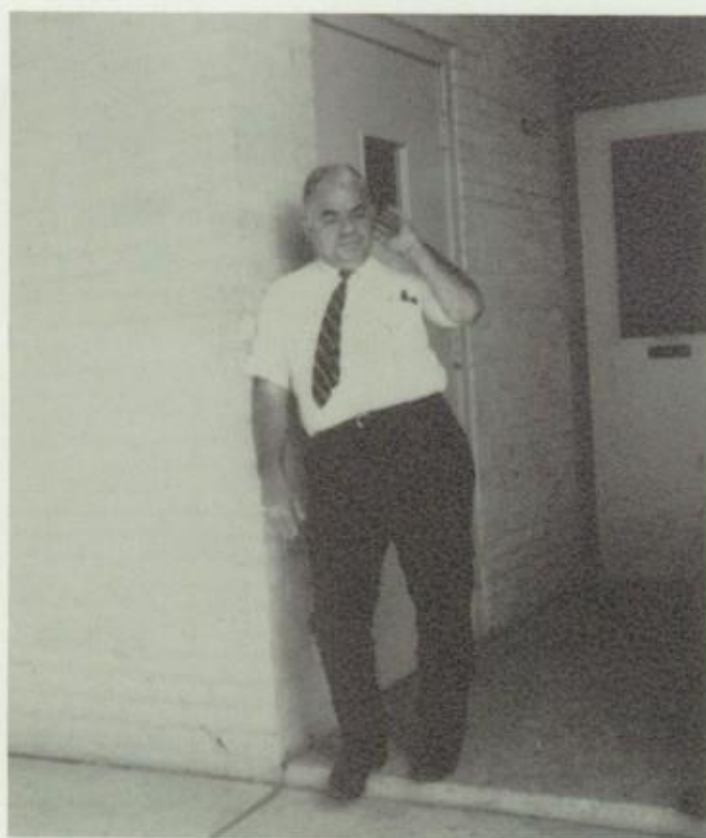

Boys pile in for a trip to the farm.

Plowing, planting and reaping the crops from the "back forty" provides experience for members and profits for FFA treasury.

The efforts of club members are not fully recognized by those unfamiliar with their activities. FFA puts on five rodeos per year. This year, three cat-fish ponds were donated to them, from which are netted profits used for the support of the club.

This national organization, comprised of boys from fourteen to twenty who are interested in agricultural vocations, is coordinated with OHS's agricultural program. The Ocala Chapter of FFA is represented at the annual state convention by the president, vice president, and two delegates.

This valuable training could not have been acquired without the aid of Mr. Ben McLaughlin, sponsor.

Something Is Always Cooking

Sweetheart Rudy Walker

FHA members spread their motto of creating better homes for all through the community by the sale of their Favorite Recipe Cookbooks. The money from this project goes toward providing a scholarship for a deserving FHA member.

It just would not be football season without the sale of those yummy FHA candied apples. Besides satisfying many a hungry student this doubles as a money-making project. Profits are used for local services such as school beautification, air-conditioning the Home Economics Department and for recreational activities. These would not be possible without the fine assistance of Mrs. McConnaughay and Mrs. Vivian Jenkins, sponsors.

Tomorrow's Teachers Gain Valuable Experience Today

Experience seems to be the key aim of this group of present students-future teachers. They have found a way to get this needed practice of the techniques of successful teaching through on-the-spot action. Each member is assigned to a particular teacher, in OHS or other schools, and devotes his or her time to helping this teacher in any way he or she can. From marking new text books to grading papers, FTA members are always willing to lend a hand. These hardworkers not only come to understand and appreciate the objectives of our public schools of today, but also gain an understanding of the relationship between public education and our democratic society.

In addition, this experience gives the members an opportunity to find out if they are really interested in teaching as a life-time career. It is in their hands that the educational system of tomorrow rests.

Big Cats On The Prowl

The symbol of Ocala High School was the team of Wildcats that played under colors of green and white. Although not always victorious, the Wildcats played with unsurpassable enthusiasm, determination, good sportsmanship, and will to win. Under the superb coaching of Coach Bill Caton and his staff, Coach Gene Cowan, Coach Frichie Smith, Coach G.B. Chappell, and Coach Ronnie Goodwin, the Wildcats learned the power-I formation. This was a new type of football strategy for the Wildcats because OHS had used single wing formation for many years. The Wildcats first approached the power-I formation in the spring of 1968 by watching films and listening to lectures

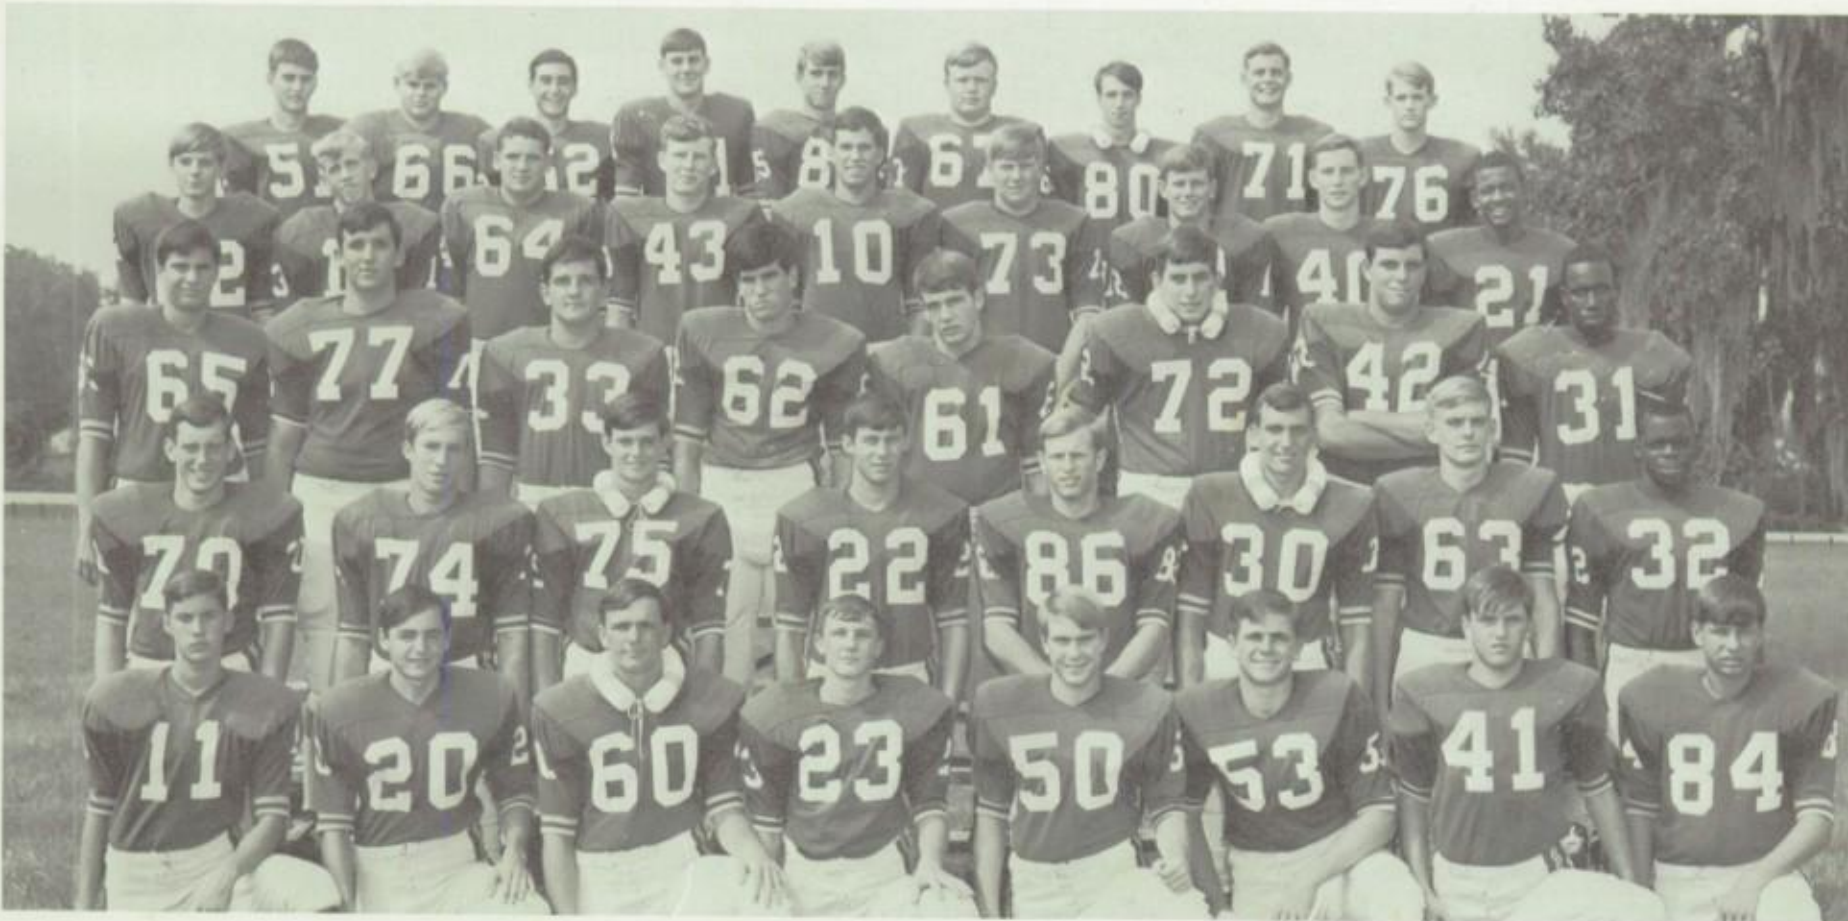

on its techniques. As the spring became summer, the team started working out with a new weight machine purchased by the school. Enthusiasm mounted as the football season drew closer and closer. In the middle of the summer, the Cats dressed out in pads and from then on it was work with a capital "W". In the middle of football season, Tim Guinn and Joe Raney were selected as team co-captains. Under them the team learned that teamwork and co-operation were musts in having a successful squad. As the season closed, 25 juniors and sophomores anxiously awaited the 1969 season, while 17 seniors realized that never again would they play football for Ocala High.

A Glorious Homecoming

The week long enthusiasm and spirit of the OHS student body proved to be a vital force in the determined fighting power of our Wildcats for 1968-69 Homecoming. With this definite go-power behind the Cats there wasn't any other thing to do than to win.

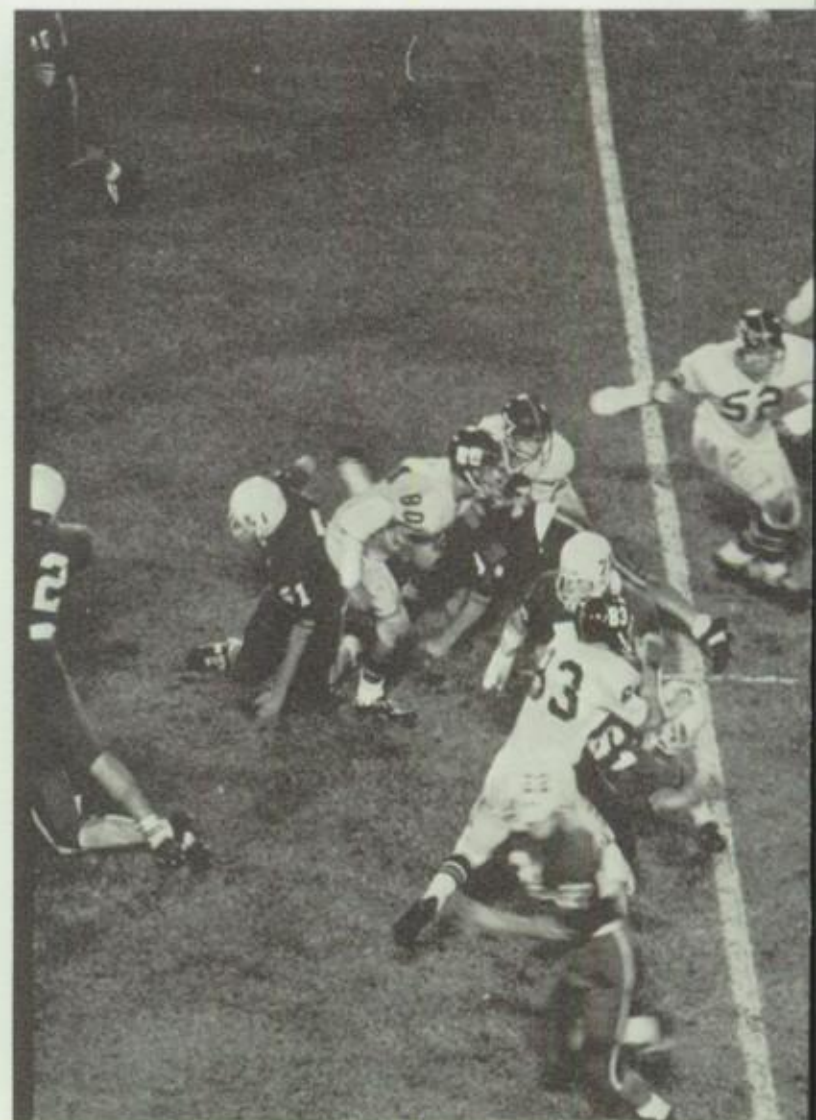

The first quarter was a slow start for our Wildcats as the Terry Parker Braves forged into a 13-0 lead. But our Cats kept trying and they finally came through successfully, when Kieth McNeal made a two yard plunge for our first touchdown in the second quarter. Action slowed down slightly until Tinker Bowen intercepted a Brave pass and ran it back for a 41-yard touch down just two seconds before the end of the half. By the beginning of the third quarter the Braves proved to be visibly shaken, as they were continually pushed by the Cat's team work of the offense and defense. It was this team work that sprang Steve Schmidt loose for a 47-yard touchdown right through the middle of the Terry Parker defense. All during the fourth quarter stout defenses were thrown up by OHS and Terry Parker causing neither team to score. Because of this situation Ocala won an overwhelming victory for our 1968-69 Homecoming.

JV Football

"Go, Go, Get'um, Get'um, Um, Ah" proved to be more than just a cheer for the Baby Wildcats. It became their motto as they closed their season successfully. The Junior Varsity Squad was ably coached by Dan Killens, Bill Lowry, and Tom Spires. Under their capable leadership, the Junior Varsity improved in their football techniques and drills.

By popular choice of the team Mike Parrot was selected as over-all captain and along with the coaches helped the team to show good sportsmanship and outstanding performance at all times. The team as a whole was one of the best to ever play for OHS. Their spirit and ability to play football showed them as a successful team of today and one to look out for tomorrow. As their first year of high school football ended, everyone realized that they were no longer little boys but men.

Spirit Explosion

A synonym for "the spirit of OHS" is "Wildcat cheerleaders". They are the "go power" behind the team and student body. In our losing times they made us feel like winners and were some of the happiest when we won.

Hours of exercises, summer sessions at ACA, car washes, decorating the goal posts, making pep posters made cheering a twenty-four hour job. Along with Miss Sigler, their sponsor, the cheerleaders kept the name forever ringing—"Hail Ocala High"

OHS Cagers Pile Up Points

Coach Rogers

"Slow but sure" could possibly be a capsule of the OHS Varsity basketball squad. Although getting off to a rather slow start, the team picked up momentum as the season progressed. Under the superb leadership of head coach John Rogers and assistant coach Bill Lowry, the Varsity placed second in the Star-Banner Invitational Christmas Tournament and with their excellent play the Wildcats went on to prove that they would truly be the team to beat during the 1968-1969 basketball season.

The starting lineup for the OHS Wildcats consisted of either Lamar Lake, Wayne Roberts or Stewart Clark as guards, Marty Cunningham and Gary Daning as forwards with Bruce Andrews as center completing a powerful team.

Baby Cats Play With Determination

"It's always darkest before the dawn"; this seemed to be true of the Junior Varsity's basketball season. The Baby Wildcats had trouble getting started on the right foot but after things began to jell all ran smoothly. This year's JV played with exceptional determination and above all a great desire to win. You can be sure that in every game they played the Baby Wildcats gave it everything they had no matter what the outcome.

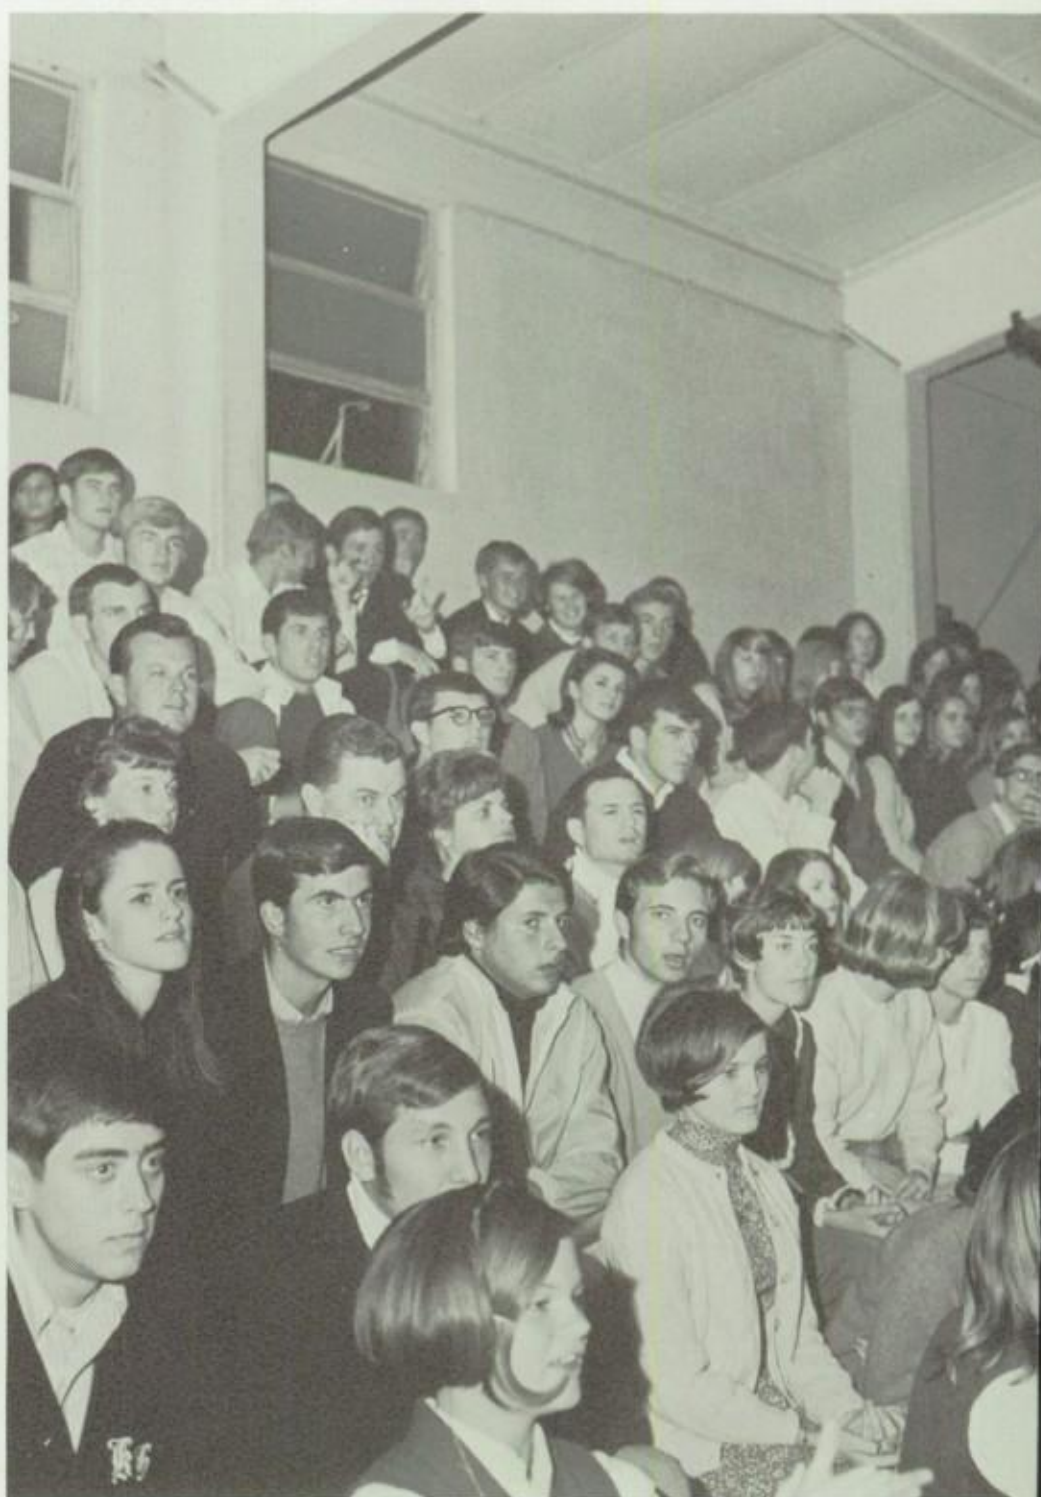

Ocala High's Junior Varsity had the best in coaching with Coach Bill Lowry. Coach Lowry possesses years of experience both as a player and coach making him the best man for the job. Having a coach like that was an inspiration.

Cinderman Burn Up Track

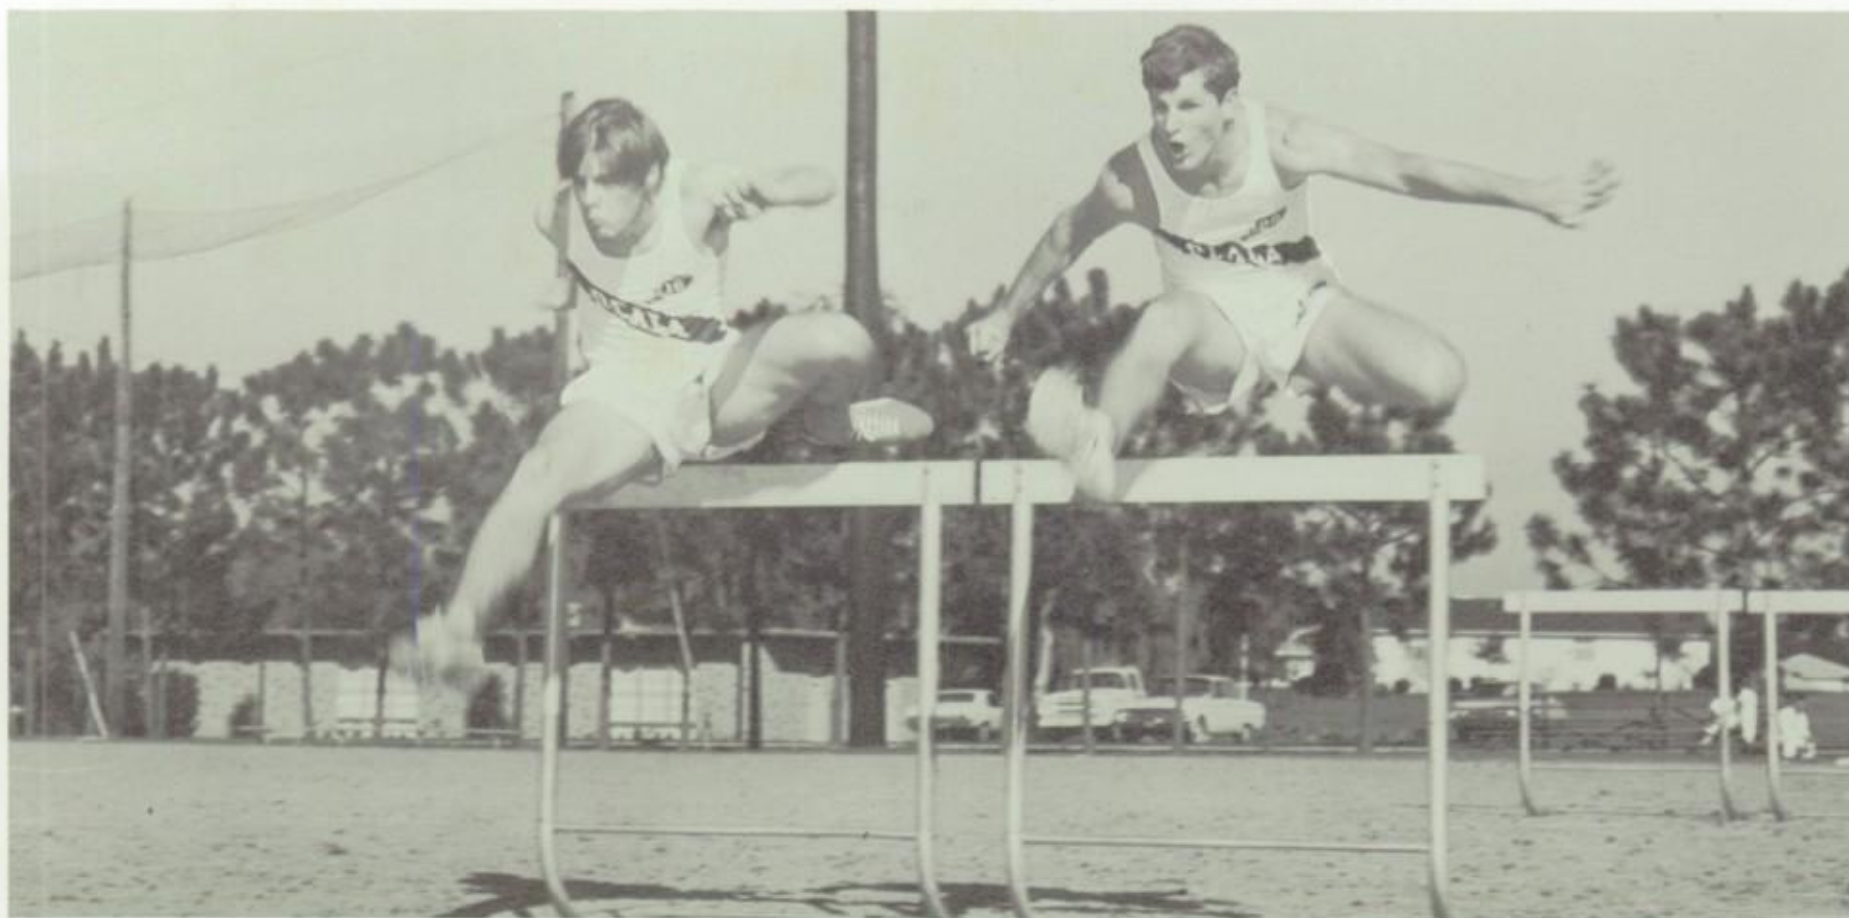

A familiar sight along Fort King Avenue every day after school is the OHS track team running from the high school to Highlands Baptist Church, as part of their exercises in practice. Running, sprinting, vaulting, relaying, jumping and hurdling are just a few of the categories covered in track at OHS. The team has been exercising and practicing in these fields in order to show themselves as true OHS Wildcats. In the past meets in which the track team has competed, the boys have given their opponents a "run for their money".

Wildcats Strike Out Opponents

Scot Mozert puts Sam Fraser out at second.

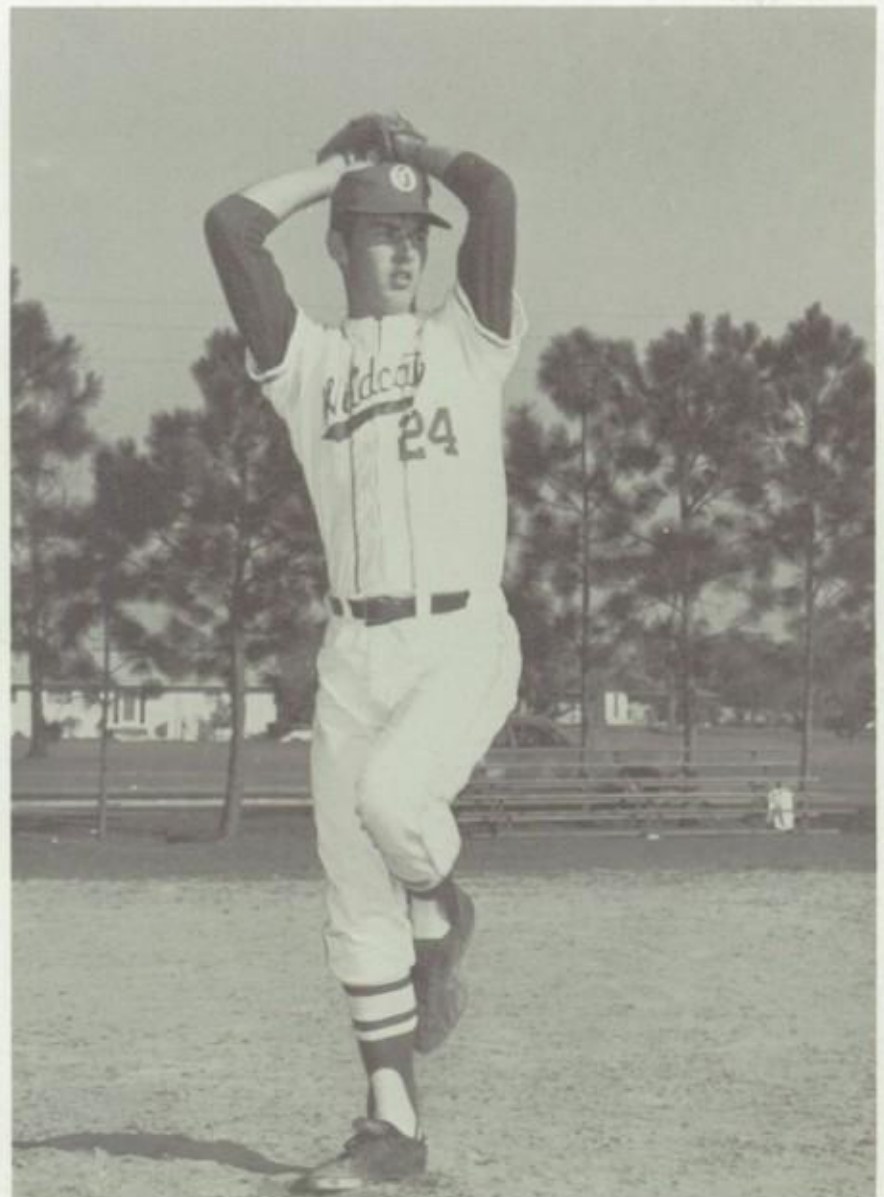

A sport that has always been a strong point for the athletic program for Ocala High is baseball. In 1968 the team finished first in the 12AA District. This year's baseball team strove with unequalled determination to equal and surpass that notable achievement.

One asset that was a determining factor on the baseball team's performance was the presence of an all veteran infield. It consisted of Bobby Guess, as outstanding pitcher in his junior year, Scott Mozert at second base, Pat Hanegan at first, Sam Fraser at third and Mike Davis catching. Such was the nucleus of a determined team.

Another factor was the competent coaching of Coach G. B. Chappell. He provided the inspiration and the vital instruction that is necessary for a good solid team.

Our Cats Like Water

Under the capable leadership of Coach Gene Cowan and Kay Sigler, the OHS swimming team has come a long way. Teaching new swimming strokes, encouraging strenuous exercises and lending a helping hand whenever possible are just a few of the chores they accomplish. Each day the team meets for practice at the War Memorial swimming pool and undergoes many different and difficult exercises, including warm-up exercises, laps, and the many different swimming strokes.

Heading the swimmers are seniors Albert Peek and Delee Perry, with Russell Jones and Denise Johnson heading the divers. Following the efforts and superior leadership of these, the OHS swimming team certainly made a match for their first opponent, Oak Ridge.

Golf Winning Is Just Par For The Course

Spectators observe how it is done.

The performance of the Golf team proved to be one of the high points of spring sports for OHS. They got off to a torrid pace and continued to flatten many of their opponents through the rest of the season. With nine hole scores in the high 30's and low 40's it is easy to see why the team had such a great year.

The superb play and great team spirit of team captain Jack Aylward proved to be a key factor in the accomplishments of the Golf team. Mr. J. C. Batsel, the coach was always present to give the fellows pointers for improving their putting and driving.

In 1968 the team competed in the state golf tournament. In 1969 the Golf team gave it their all to make a repeat performance.

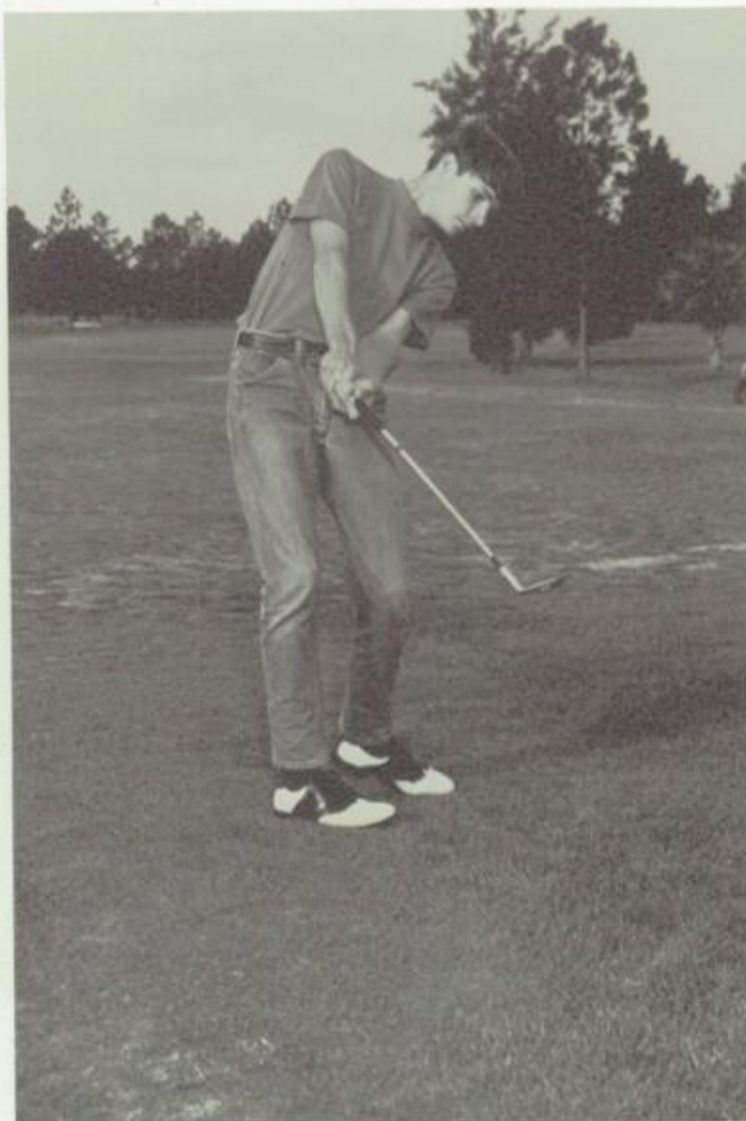

Three of the biggest reasons for the Golf team's success were sophomores. Donnie Nettles, Jeff Summey and Dale McDonald proved to be big assets to the team.

Tennis Racketeers Go To Court

The OHS tennis players did themselves up proud this year. The racketeers had one of the largest enrollment to be seen at high school.

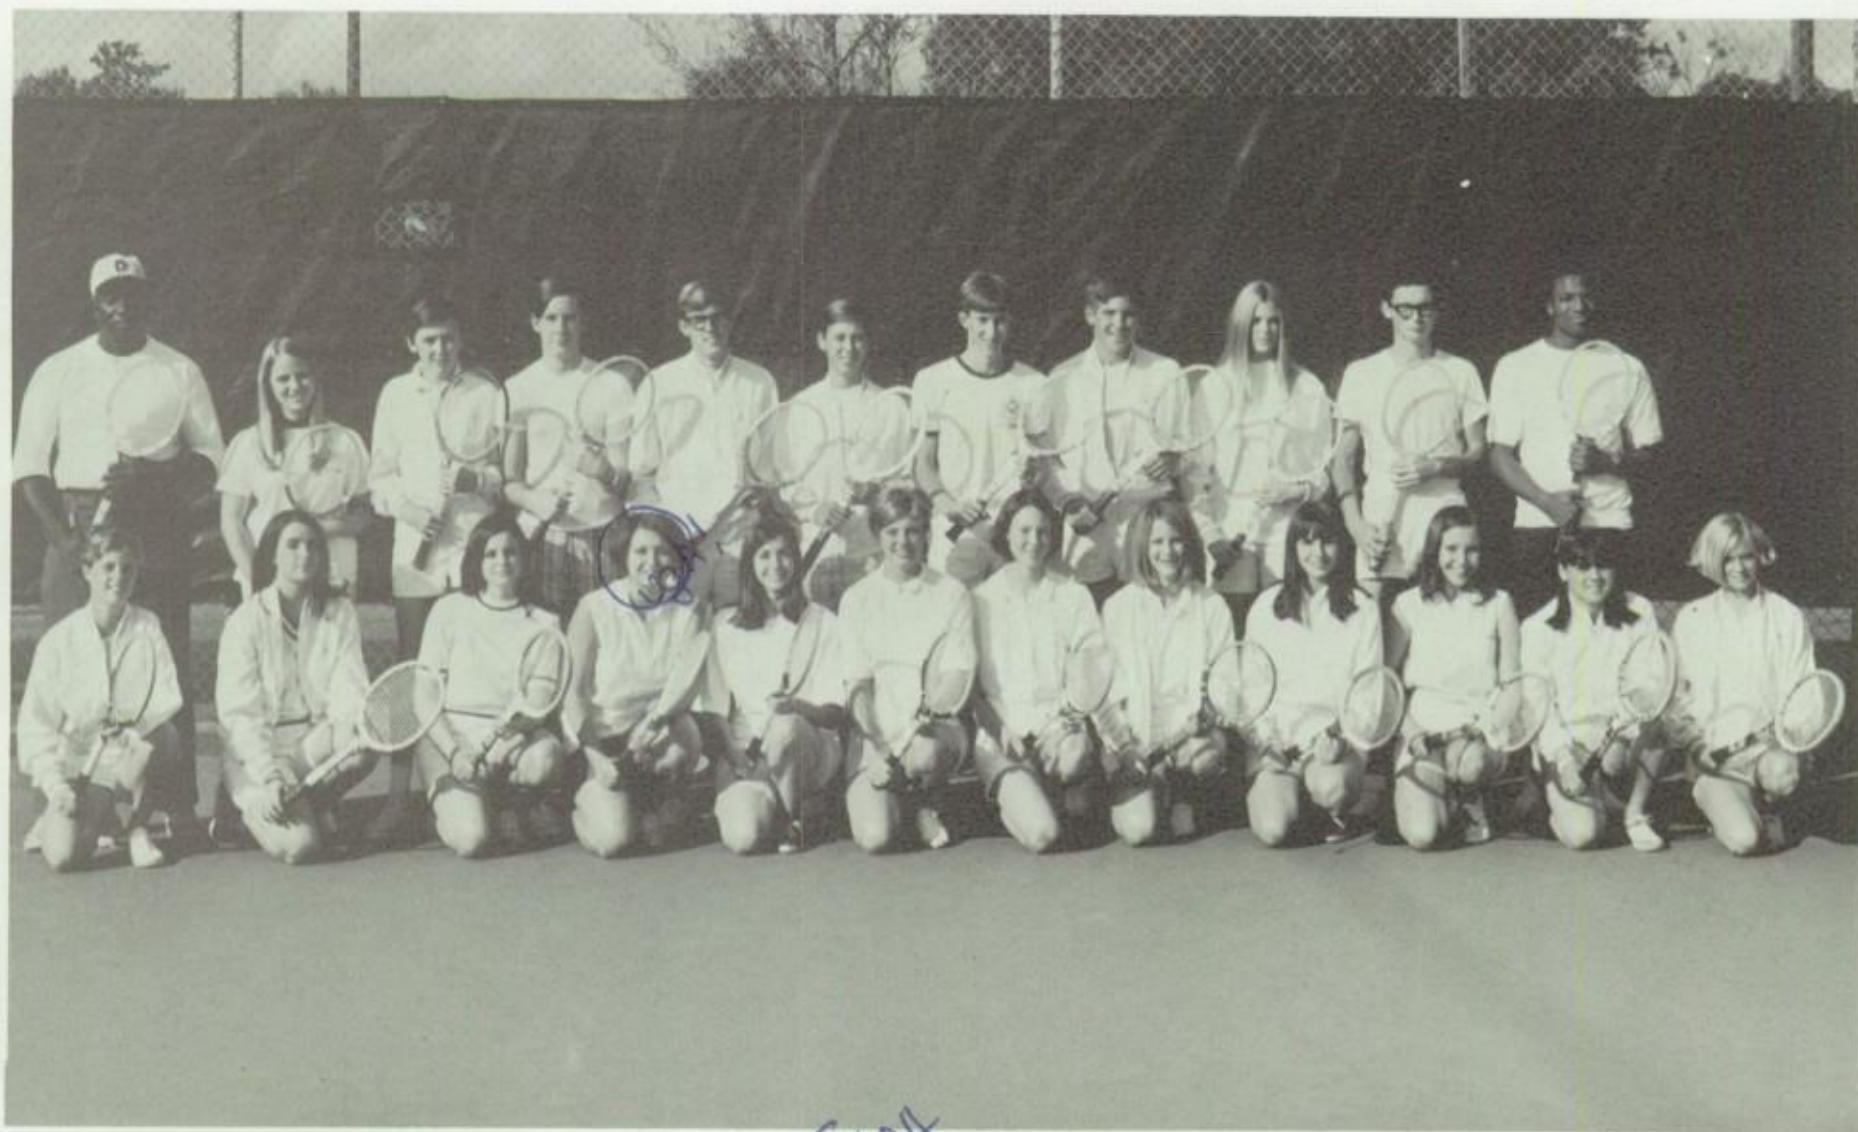

Coach Killins, determined to have a winning team, put the players through their paces. Long afternoons were spent on hot asphalt. Team members learned to perfect backhands, serves, and lobs.

Lung power and determination characterized the 1969 OHS team. They slew their opponents due to speed and sheer muscle.

The state wide tennis tournaments took place April 17 and 18 this year. As usual the students looked to the team to represent them well.

Mary.

Well, here it is; the end
of school again, and as usual
it's been a great year. Well,
we've known each for about
3 years now and I don't
think ~~we~~ we've ever had an
argument! Now that's gotta
be a record for me 'cause you
know how I argue with just
about everyone & everything there
is. I hope you never forget
me & all my problems with
Pandy, Dan, ^(Billy) ect. Well, I guess
I've used up enough space
in your yearbook. I only wish
that when I move I could
take all my friends here, with
me. You've been a great friend
and I'll never forget you and
all your advice. Good luck

Pam Buchanan

Mary,
Well I've finally run
out of things to say, impossible
to write it. Thanks so much for
all the great times in Jr. high
and this year in Geometry + P.E.
Mrs. Miller's classes won't be
the same without us. Stay as
sweet as you are, stay with
Phil, and don't forget our
great times. I hope to see you
next year and I pity the poor
teacher who gets us in a class
together. Stay away from the boys
and be good.

Love,
Michelle
(class of 7/1)

Mary, you are a real sweet
girl and I have known
you for a long time.
I never forget all the
fun times (I remember the
time in 8th grade (at lunch)
when I wanted to put your
pierced ear? NA, that was funny!
Good luck always.
Love ya,
Jill

Hi! Mary,

this has sure been a
great year (even the Burch's
class). I've enjoyed talking
to you and all. Hope our other
OH 5 years are as wonderful.

Don't forget ol' Greenie
and the shrew, stay sweet,
love, Best Wishes,
Anne-Marie Cepeda

MARY,

It has been nice
knowing you all these
many years. Remember
all the good times
in Sunday School. And
I hope you are a success
in what ever you set out
to do.

Good Luck,
Donna

Mary, be my friend for many years and I hope you'll always be good and sweet, be good and next year we'll be juniors!!!
 Love,
 Vickie Scott

Mary,

It's been great knowing ya this year. I hope to see you next year. Be good and behave yourself. May God bless you and Hood Luck.

Love,
 Vickie

Mary,
 You have been such a sweet friend to me this year as well as all the rest of them. Thanks for the encouragement during P.E. I hope you reach the goals that you have set for yourself and keep your beautiful standards. Always remember Burch and an mssals.
 Love ya
 Mary

Mary, We have had fun in P.E. together this year. You are one of the sweetest & most understanding I've ever had. Good luck as you go to next year. I hope you'll be a junior & I'll see you next year. Love ya,
 (Edon hope)

Love always,
 Jaque

 'S' FOREVER

Mary,
 It has been a great year. Good luck in the future with whatever you do. I hope to see you next year.
 Love ya

Mary,

To a real big-mouth + big
well something else (HA, HA). This
is my first year at O. H. I. and of
being friends with you. The year
has been pretty good and you have
helped it to be so. You've got a
big mouth but I think it's funny.
Always remember all the good times
we've had. I hope to see you next year.
May God Bless you in the future.

Mary,
It's been so much
fun being in your
English class this
year. And don't
forget our wonderful
teacher. I wish you
luck in everything you
do. I hope you'll always
be one of my good friends.
Love,
Wendy

Mary,
I'll always remember you.
You're so sweet & cute. Good luck
with Rhila & everything you do.
I hope you & Brenda stay friends
always. Remember good 'ole English
& Miss Burch. Be good & see ya
next year.
Love,
Julie
